

Sometimes Today Seems Like Yesterday

Ballad

Barry Harris

*Some-times to - day seems like yes - ter - day when we would
romp and play each day a ho - li - day
We'd sing and dance and prance and have such fun be - neath the
smi - ling sun our lives had just be - gun.
Life's jour - ney starts with ma - ny ups and downs The road goes
round and round un - til one's path is fina - lly found.
Some-times to - day seems like yes - ter - day that's where I'd
like to stay if on - ly for a day, if on - ly
for a day.*
